Dear Mr. Gibson:

Enclosed is the Shore PAC Report for the 1-1-06 through 3-31-06 time period.

We did not send in this report before because we have been filing at a six month time period.

You stated in your letter of May 2nd that you had notified us of the due date for this report. However, we never received any such notice. Therefore, we should not be penalized for this late report.

If you have any questions, please call me at 732-571-4141.

Very truly yours,

Marilyn M. Regan
Asst. Treasurer
